## "Art Parasols in the Garden"

### Outside the grounds of Clifton Arts Center

This two-day enrichment workshop engages with artist/instructor Marisol Rodriguez from ***Parasols by Marisol***.

What do you see in the Clifton Arts Center & Sculpture Park Garden? Students focus on collaborating, designing, and painting what they observe in the garden to create a 3-D array of colorful parasols.

Also, as an enrichment trivia, students are introduced to the art of noteworthy impressionist artist, *Claude Monet* and the history of parasols in the early 1800s.

On 2nd day there will be a pop-up gallery exhibit and reception for the group & discussion on art creations.

**Price \$65 fee per each student which includes material supplies and reception**

***This project was funded in part by Passaic County Board of County Commissioners, through the Department of Cultural & Historic Affairs***
